RIKSFÖRBUNDET SVERIGES KONSTFÖRENINGAR: HANDLING OF APPLICATION OF EXHIBITION ALLOWANCE

The exhibition allowance is a state contribution that can be applied for artists who participate in exhibitions organized by art associations affiliated with Riksförbundet Sveriges Konstföreningar.

Note!

Riksförbundet Sveriges Konstföreningar do not accept applications of exhibition allowances to art associations who, in their activities, accept exhibition allowances directly from The Swedish Arts Council.

It is not possible to apply for exhibition allowance for:

- Artist who is a member of the art association in which she/he presents.
- Artist who is a member of the board of the art association in which she/he presents.

Of course, it is ok to exhibit the artist - the restriction applies only to the exhibition allowance.

Riksförbundet Sveriges Konstföreningar applies the MU Framework Agreement. We alternate between category 4 (maximum 10 weeks as the basis of calculation - the exhibition may be longer) and § 4p, 5th and 4p in the tariff (minimum amount). The alternative that benefits the artist is chosen.
